

Saturday STEM Academy

Computer Programming

Are you interested in computer programming? Come learn how to program your own interactive game, video, or tell a story using the ALICE software! The Alice competition involves correcting bugs and making the characters come to life. More Information to follow—If interested please sign up for our workshop.

When: October 11, 2014

Time: 9am-12pm

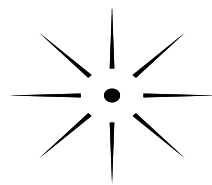

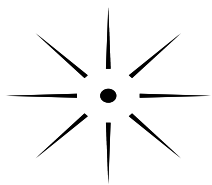

Location: Santa Teresa High School
6150 Snell Ave
Room 503
San Jose, CA 95123

Contact Information:

Olivia Herrera

E-mail: mesasa05@gmail.com
