

College Poster Competition

In teams of 2-4 students, you will pick a college (UC, CSU, Private, Out of State) and create a display board on your college. Your advisors will choose the **top2 teams from each grade level** to present their displays in front of the judges.

Your project will include:

Middle School:

- A display board with the information about your school
- An oral presentation on your college (specific dates will be assigned)
- Each group will type a 150 word report which includes why you chose this college, and after researching, would you want to attend that college?

High School:

- A display board with the information about your school
- An oral presentation (specific dates will be assigned)
- Each group will type a 300 word report which includes why you chose this college, and after researching, would you want to attend that college?

Each chapter cannot have the same school more than once. Local (bay area) universities are limited to 2 per chapter.

Information you **must** have about your college in your report, your presentation and on your poster:

- _____ location (city)
- _____ # of students enrolled
- _____ What percentage of students are male? female?
- _____ List the ethnic breakdown of students
- _____ Mascot
- _____ tuition, fees, room & board and other costs
- _____ Where do most students live?
- _____ Available scholarships
- _____ STEM Majors to choose from and average size of each class
- _____ Most popular majors and programs
- _____ Minimum GPA for admission
- _____ Minimum SAT scores for admission
- _____ Minimum course requirements for admission
- _____ any additional information regarding admission requirements
- _____ Unique information about your school (*traditions, famous graduates, etc.*)
- _____ What do students do on campus for fun? (student life)
- _____ What type of school – public? UC or Cal State? Private?

_____ Contact address, phone number, email & website address

ORAL PRESENTATION:

1. Teams will introduce themselves to the judges.
2. Teams will then present their 5-10 minute oral presentation on their college.
3. Based on their presentation, teams will then answer judge's questions accordingly.

Questions may include:

- Why did your team select this college?
- Why is it important to know the admission requirements for this college?
- How many different types of financial aid are there?

AWARDS:

1. Medals will be awarded for 1st, 2nd, and 3rd place teams per age division (middle school/high school).
2. Ribbons will be awarded for the following category:
 - a. Most creative board
3. **1ST PLACE:** Will receive SJSU gear.
