

# Alice Training

## Saturday STEM Academy

*Date: 12/07/13*

*Time: 9:00am—12:00 pm*

Learn how to program your own interactive game, video, or tell a story using the ALICE software! The Alice competition involves correcting bugs and making the characters come to life. More Information to follow—If interested please sign up for our workshop.

Independence High School  
1776 Educational Park Dr  
San Jose, CA 95133
